

ONTARIO CONSERVATORY OF MUSIC

October 3, 2013

Does your son or daughter show musical interests and ability?

You can find out !!! A musical aptitude test will be provided on our instruments at our studio, **with no cost or obligation.** (Knowledge of music is not required).

Loaner instruments can be supplied to beginners who qualify and are most interested.

Giving your son or daughter the gift of learning to play a musical instrument, provides the opportunity to express their feelings, to enhance their reading, co-ordination, listening and study skills, while developing improved self-confidence.

We teach all ages from pre-school to adult. The Ontario Conservatory of Music provides independent Examinations, Annual Concerts, and Competitions.

Please fill out the form below and mail, e-mail, fax or phone the information to us. We will be in contact with you shortly after to schedule a time for your interview and test at our studio.

We hope to be part of your child's learning experience in the near future.
