- 1) As the parent/guardian of the above-named student, I request and authorize the administration to said student of the prescribed medication referred to below, using the procedures outlined below, by school personnel, who I acknowledge are not medically trained to administer medication.
2) I understand that no more than one month's dosage is to be sent to the school at any one time.
3) I understand and accept that if questions arise about administering the medication, the school principal, or his/her designate, will contact the dispensing pharmacy to clarify the issue; for example, (including without limitation) whether there is a need to give the medication on an empty or full stomach.
4) I also understand and accept that if problems arise with the administration of the medication; for example, (including without limitation) refusal by the student to take the medication, complaints of side effects, or possible allergic reactions, then the school will immediately discontinue further doses and inform the parent/guardian, at the earliest practical opportunity, as to the nature of the problem.
